RESTORATION AFTER DEVASTATION

What We Do

*At **PureOne Services** we know that disasters can strike with very little warning and can be extremely devasting. We know how hard it is for homeowners to find honest, qualified companies to assist them after a catastrophic event. Our **PureOne Services** team knows the importance and need for you to have a company you can count on for a quick response in any type of disaster situation. Whether the disaster is from flooding caused by heavy rains, hurricanes, tornados, tidal surges, wind damage, ice and snowstorms, or wild fires our teams are available 24/7 and are ready to help you restore and clean your property.*

Services We Provide

- ***Emergency Response Solutions to secure your residential or business property***
- ***Property Inspection and Estimate***
- ***Site Containment***
- ***Board-Up and Securing of Property***
- ***Water Extraction***
- ***Drying and Dehumidification***
- ***Corrosion Control***
- ***Selective Demolition***
- ***Assistance with Insurance Claims***

Reviews

“Patrick and the ***PureOne Services*** team were amazing in the aftermath of Hurricane Michael. My office building had 2 feet of storm surge, and they were great with helping us dry out the place and get it ready for renovations.

Class Act!! I would highly recommend them.”

- Susan Wright

"Great Service! Responded rapidly after Hurricane Florence Sept 2018. Highly recommended, fast, professional, courteous, and great to work with!

For disaster assistance they are top notch. If there is a need again to use their services they will be the first I call!"

- CE Pitts
